FLASHBACK: INT. COKELY'S CAR - MINUTES LATER

101

The car is parked. Charlie, seated in the passenger seat, is interrogated by COKELY.

COKELY

Petty Officer Gorden told us everything. You do realize you were in a gay club?

CHARLIE

(rubbing the seat)

Is this real leather?

COKELY

Lieutenant.

CHARLIE

It seemed kinda mixed to me but come to think of it, I do remember seeing a lot men dancing with men... were they homosexuals?

COKELY

What exactly were Dan and Blackwood doing?

CHARLIE

Dan can probably answer that better than me.

COKELY

Did you see them?

CHARLIE

I saw Gorden. Man can he move.

Beat. COKELY produces the photo of the men, naked on a hillside, re-enacting Michaelangelo's 'creation'.

COKELY

Can you explain this?

CHARLIE

Scene 2 93.

CHARLIE

Man... this is embarrassing...

COKELY

That's understandable.

CHARLIE

... cause I promise you this makes my johnson look about half its actual size.

(smiling at Cokely)

Wouldn't you agree?

COKELY

I couldn't care less about the size...

CHARLIE

Why don't we just cut to the chase. You wanna know what makes their peckers hard? I don't know and I don't give a rat's ass as long as they can cut the Grey Poupon when the shit hits the fan. They can go hump a tree if that revs their engine.

4/8

CHARLIE opens the car door.

CHARLIE (CONT'D)

I'd love to chat some more but I've got a service to attend.

COKELY

I have a few more routine questions.

CHARLIE

I'm good with routines. Fire Away.

COKELY

Is Lt. Lynch a Homosexual?

CHARLIE

He never copped my knob.

COKELY

Have you ever had sex with a minor?

CHARLIE

Yeah. When I was a kid.

CHARLIE

Scene 2 94.

COKELY

Have you ever engaged in, desired to engage in or do you intend to engage in sex with foreign nationals, people of the same sex... or small animals?

Charlie thinks.

CHARLIE

Define small.

102 FLASHBACK: INT. INTERROGATION ROOM - MORNING

102

Dan is in the midst of his ninth meeting.

COKELY

If you want to end this you're gonna have to give him names.

DAN

I've told you a dozen times, John, I have no idea who's gay and who isn't. I swear. Where's Jones?

COKELY

On another assignment. Maybe we should talk to your Dad about this... see if he can make it disappear.

DAN

No.

Cokely drops the PHOTO of all the guys re-enacting "Creation" on the desk in front of him.

COKELY

How come you never told me about this?

Dan looks at him... shakes his head in disbelief.

DAN

Are you serious?

Beat. Cokely checks his watch... picks up the photo and places it in Dan's folder.

COKELY

I've got an extra ticket to the game tonight...
